## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

## Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Hon. Guion Miller,

Washington, D.C.

Sir: -----

Less than a year ago I was appointed Guardian of Homer and Claude Glass, whose names appear upon the Roll to participate in the payment to be made to the Eastern Cherokees.

Please explain the process to go through in order to get charge of such funds belonging to said minors.

If notices have been sent to their mother, Alice Washum, will duplicate ones be sent to me as guardian?

Please let me hear.

Yours very truly,

*Jennie L. Fields*

George W. Fields, Jr.,

Sir:

Your letter of August 5, 1909, relative to the claims of Homer and Claude Glass, is at hand.

If you have been appointed legal guardian of these children you should forward to this office a certificate showing that you are such legal guardian, otherwise the warrants would probably be delivered to their mother.

The Court of Claims does not ordinarily require legal guardianship in these cases, and usually leaves a wide discretion in the payment of the money, as it is the intention that this fund should be of a real and substantial benefit to the Indian claimants and all unnecessary expense is to be avoided.

No order of the Court had yet been entered as to the distribution of this fund, but the final order when entered will no doubt contain some provision as to the action to be taken in the case of minors and deceased persons.

This letter will serve as an answer to your second letter of the 5th relative to the case of John and Katy Silversmith.

Very respectfully,

Special Commissioner.

Relative to your application for participation in the Eastern Cherokee Fund on behalf of your minor children, you are requested to inform this office at once as to the name and number under which your child, Claude Glass, was enrolled by the Dawes Commission.

Please state if your children are all living; if dead, give the day, month, and year of death.

Please be prompt and refer in reply to WEA-5700-1004.

Sir:-

Relative to your application #5718 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim through your father, Youngwolf, and your mother, Susie, willstate that I cannot find the name of your father, Youngwolf, on the roll in the Saline District with your mother, Susie. Kindly inform this office whether your father, Youngwolf, was married to your mother, Susie, in 1851. If so, where did they reside at that time? If your mother was not married to your father at that time, in what district did she reside, and where was she enrolled? You state in your application that you have under the names of brothers and sisters one Se-li-ni, who is living, and a sister Nancy, who is living and was born in 1830. Are these your full brothers and sisters, or merely half brothers and sisters? Have they filed applications in this office? If so, under what names? What names do they now bear, and in what district do they now reside? Please furnish me the names of your grandparents on both your father's and mother's side. If you will consult one of your older brothers or half brother or sister, they may be able to give more definite information, and if you will furnish this office with same it will be greatly appreciated.

Respectfully,

My name is Malinda Towns. I was born in Delaware District, I think. I am about 60 years old, (1848.-) I was not enrolled by the Dawes Commission because I was opposed to the allotment and made no effort to be enrolled. I am a full-blood Cherokee. I have heard from my mother that my father's English name was Jackson Towns and that his Cherokee name was O-tla-nah. My mother's English name was Renie Towns and her Cherokee name was Sah-he-yah. I do not know what the maiden name of my mother. I know that my mother had two sisters by the name of Harriet Sutton Jack Sutton and George Sutton. I do not know where they were enrolled. When I became old enough to remember they were living in Skin Bayou. Harriet had two children by the name of Nancy and Rachel. I do not know what their given names were. ( See S. B. 319 )

I was enrolled in 1851. I do not know what district but when I drew the money I was living in ~~1851 S.B.~~ Applicant mistaken evidently in her name. See 319 S. B. for father, mother and applicant. Harriet Sutton probably was not a full sister to applicant )

I was enrolled in 1894 and drew the strip payment. None of my ancestors nor I ever received any Old Settler money. App. #5734.

December 28, 1907.

Lizzie Cornshucker;

South West City, Mo.

Madam:-

Relative to your application #5734 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were enrolled in 1851, will say that I cannot find your name either under the name of Lizzie Cornshucker, or Lizzie Goingsnake, your maiden name, on the Emigrant Cherokee roll of 1851. Were you ever enrolled as an "Old Settler"? If so, in what district? When did your father move from the Old Nation East to the Cherokee Nation West? When did you marry your husband, Ju-law-da-ke? The name as it is spelled in your application is not to be found upon the 1851 roll. Where was he born, and where did he reside in 1851? Was he what is known as an "Old Settler", and were his parents "Old Settlers"? If you were enrolled in the Emigrant or Eastern Cherokee Enrollment, in what district were you enrolled; with whom were you enrolled; and what was the name you bore at that time? Had you any children living at that time, and were they enrolled with you. Any other information you may be able to furnish this office will be appreciated.

Respectfully,

LBD/AIL

Special Commissioner.

She was born in the old nation, and she came here about 1839. She has children living, one named , daughter, Che-le-dih. She is living in Del. Dist. ~~xxxx~~ Lizzie Goingsnake's roll number is 32047. She had a brother Clah-dah. She had four children, 2 men and 2 women. John Cornsucker is the oldest, George Cornsucker. I have known Lizzie Goingsnake since I was 4 years old. I am 58 years old now. She was living in Del. Dist. then. I have heard her say time and time again that she was born east. She told ~~me~~ that she came in 1839 the time the immigration came from the east to the west. ~~As~~ I have heard others say the same thing about her. She is no relation at all to me.

and says:

My name is George Mc Laughlin. My age is 42 years. I was <sup>raised</sup> ~~born~~ in Delaware District but born in Texas. George Corn Shucks is about 42 years old. I think he was raised in Delaware District. He is a full-blood. He was not enrolled by the Dawes Commission. He is one of the Night Hawks and would not accept his allotment. His father's name was Corn Shucker but his given name I could not tell you. Ju-law-da-deck in Cherokee or Chu-lah-da-deck. He has been dead 10 or 11 years. His father lived in Delaware District. The oldest brother is named John Cornshucker. Ju-lah-da-deck-gih may be the name. I do not know any of his fathers ~~and~~ brothers and sisters. It may mean corn-puller in English. His mother's name was Lizzie Corn Shucker or Corn-Puller. Lee-sey was her name; she was a Going Snake before marriage. She had a brother by the name of Clagah. I think she came from near Oaks? I. T. Lee-sy was born in the Eastern States. She claimed that she came here with the Indians with her husband. I do not know whether she was enrolled. Her brother is named Cla-gah or Tla-kah or Tla-ka. I do not know of any other brother. I do not recall her parents names. I do not think they ever associated with any other tribe of Indians. I do not think they were regarded as Old Settlers. They have always been recognized in the community as being Eastern Cherokee Indians. They have always lived in the Territory ever since I knew them.

Madam:-

Relative to your application #10253, in which you state that you claim by reason of your father, Boots, and mother, Lizzie, and mother's grandfather, Dick Scott, will state that I cannot find the names as you have given them upon the roll of 1851. You have given the date of your birth as 1852, in the Tahlequah District. Were your mother and father enrolled in 1851? If so, in what district and under what name? Were they enrolled as Emigrant Cherokee Indians or as "Old Settlers"? Have you any brothers and sisters living? Have they filed applications in this office for a part of this fund? If possible, find out in what district your father and mother were enrolled, and under what names. It is absolutely necessary that I have this information, connection with the Cherokee Indians.

born in 1852? Had you any brothers and sisters living in 1851, and were they enrolled, and under what name?

Your prompt reply will be appreciated.

Respectfully,

LBD/AIL

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

William Taylor, being duly sworn, deposes and says:

My name is William Taylor. My age is about 49 years, I was born and raised in Flint District. I was enrolled by the Dawes Commission, Cherokee Roll No. 27191. I got the bread and strip payment. I am enrolled as 3/4 Cherokee. My mother's name was Rachel Frog. I have heard my mother say that she was enrolled about 1851. I don't know whether it was Emigrant or Old Settler. Rachel Frog has been dead about 35 years. My mother had a sister named Ti-ya-ni. She lived in Flint District. I don't remember any others. I have heard my sister speak about an aunt but do not recall the name. I don't know my mother's mother's name, nor my mother's father's name. My mother's name was Wor-loo-se which means Frog. These are all the relatives that I recall on my mother's side. My father's name is William Taylor. We-lu-sco-hah is his Indian name. He lived here in Flint District. I think he was enrolled in 1851; I understood he was about grown when he came to this country. My father was an Emigrant. Wm. Taylor had a brother by the name of James Taylor; James lived here in Flint District. John Stidman was a half-brother; he had a sister named Jane, and I think there was a brother named Charley; he lived either in Flint or Going Snake District. I think he had a sister named Susie. I don't recall any other. His mother's name is Mary. Her maiden name was Vann. Wm. Taylor's father was Fox Taylor. They were a large family but I do not recall their names. Fox-Taylor's Indian name was Chu-lah. My sister furnished the information in the application; she is now dead. I never heard of my father's people being regarded as Old Settlers. They never associated with any other tribe. My understanding is that they came with the main emigration. (Probably Flint 508.)

Sir:

Replying to your letter of November 14, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed. However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

The money will be paid per capita--each individual enrolled receiving the same amount.

Jennie M. Gilstrap will receive due notice of when the payment is to be made and where it will be necessary for her to appear to receive her share, which will probably be near the place she lives.

Very respectfully,

Replying to your letter of July 20, 1909, you are advised that we cannot state, at this time, in what manner the Eastern Cherokee fund will be paid, as the Court has not decided that yet.

You are further advised that the exact amount each claimant will receive cannot be determined until after the Court has approved the final roll and the exact number of claimants determined, but it will probably not be more than \$133. each.

You will receive due notice of when the payment will be made, and where you will be required to appear to receive your share.

Dear Sir:-

Referring to the Eastern Cherokee Enrollment, #12179 would like to know if party will have to go to Bartlesville to receive their money, or can they secure it from here. Also would like to know when the same is to be paid.

I have been informed by Mr. Cunningham, that each share amounts to about \$135.00. Does this mean that each individual receives this amount, or there are so many shares to go to the head of a family. It seems to me that if there is only one child in a family, there ought to be six times as much coming to that one child, as there is to six children in another family, when their parents would have the same amount.

Please give me this information at your earliest convenience, and oblige,
